मंत्री
ग्रामीण विकास विभाग
बिहार
MINISTER
Department of Rural Development
Bihar

पत्रांक...149/.....

दिनांक...22/12/10

माननीय मंत्री,
उर्जा विभाग,
बिहार, पटना ।

मधुबनी जिलान्तर्गत लखनौर प्रखंड के तमुरिया में एक पावर सब-स्टेशन की आवश्यकता है । तमुरिया में रेलवे स्टेशन बैंक आदि के साथ-साथ आसपास घनी आबादी भी है । इस स्थाल से आस-पास के 6-7 पंचायतों में विद्युत आपूर्ति सुनिश्चित करने में सुविधा होगी । उक्त क्षेत्र में विद्युत उपभोक्ताओं की संख्या भी अधिक है ।

अतः मधुबनी जिलान्तर्गत लखनौर प्रखंड के तमुरिया में वित्तीय वर्ष 2011-12 में राज्य योजना से एक विद्युत उपकेन्द्र स्थापित करने की दिशा में समुचित कार्रवाई करना चाहेंगे ।

**BIHAR STATE ELECTRICITY BOARD,
MITHILA AREA, DARBHANGA.**

No. _____ / Darbhanga, dated, the _____ /

From,

**Shri D. N. Tiwari,
General Manager-cum-Chief Engineer.**

To,

**The Chief Engineer(S&P),
Bihar State Electricity Board, Patna.**

Subj:- Requirement of materials as per additional sanctioned estimate for erection of 11 KV line from Tulapatganj PSS to Tamuria, Block-Jhanjharpur under Madhubani district.

Ref:- Eecl. Superintending Engineer, Elec. Supply Circle, Darbhanga L. No-2516 dt-14.06.2011.

Sir,

With reference to the above, it is to inform that the additional estimate has been sanctioned for erection of 11 KV line from Tulapatganj PSS to Tamuria for energisation of damaged 11 KV line. Earlier, the estimate for erection of 11 KV line has already been sanctioned to re-store the power supply and accordingly, the materials as per sanctioned estimate have been diverted by the Board. But the villagers of Nawani have been protesting against the route of the line and the work has been stopped. All efforts were made by the Police Administration and the local people representatives. The matter has also been raised in the Hon'ble Committees of Bihar Vidhan Sabha and Parishad on several occasions. Route change is the only solution.; Hence an additional estimate was submitted by the ESE, Darbhanga which has been sanctioned under ADP head to ensure power supply to Vill-Tamuria.

It is therefore requested that following materials may kindly be diverted:-

Sl. No.	Name of the materials	Qty. required
1	PSC Pole W/L 200 kgs	53 nos
2	ACSR Rabbit Conductor	16.43 kms
3	11 KV Pin Insulator with Pin	123 nos
4	11 KV Disc Insulator with H/F	36 scst
5	G. I. Wire No-8	0.50 MT

The photocopy of sanctioned estimates and letters related to Vill-Tamuria are enclosed herewith for ready-references.

Encl:-As above.

Yours Faithfully,

-Sd-

(D. N. Tiwari)

General Manager-cum-Chief Engineer.

Memo No. 2304 / Darbhanga, dated, the 07-07-2011 /
